Invitation

Come and celebrate the Baker Days 2024 with us. Like in the past, concentrated baking expertise and a party atmosphere await you. Taking place for the 5th time, this international industry gathering is all about moving with the times while keeping tradition alive. We look back on 60 years of backaldrin and the 40-year success story of the Kornspitz. Experience today's innovations for tomorrow in seven bakeries. Live demonstrations of Baking without Proofing (Fast Dough), our most recent products from the iba, and personal conversations with a bread sommelier promise ideas and added value far beyond the Baker Days. Round off the day with a whole new party atmosphere and celebrate the night away to the hits of "Lauser". We look forward to seeing you!
